

UPS Poland Fact Sheet 2021

BACKGROUND

UPS® is a global leader in logistics, offering a broad range of solutions including the transportation of packages and freight, the facilitation of international trade, and the deployment of advanced technology to more efficiently manage the world of business. With its wide array of services to more than **220 countries and territories**, UPS delivers **24.7 million packages every day**. **Global revenue for 2020 was \$84.6 billion** on a total **annual volume of 6.3 billion packages and documents**.

ESTABLISHED IN POLAND

UPS first entered Europe in 1976 when it established domestic operations in Germany. UPS has since developed a comprehensive European service portfolio, combining local expertise in each market with UPS's international strength and high quality standards. UPS first entered the Polish market in 1992 through a service partner – “PPS Polkurier”, which UPS acquired in March 2001. In 2005, UPS acquired Messenger Service Stolica S.A. to further strengthen its capabilities on the Polish market, and in 2015 it acquired Poltraf to strengthen its healthcare service offering.
